

## Directions To Sign Into A Training Area

Call: (831) 386-2998

- Listen to introduction and wait for first prompt. First prompt will ask permit holder if that person would like to hunt or fish. Press 1 to check in to or OUT of a training area or fishing pond. Press 2 to see how many people have checked into a training area.
  - If checking into a training area or fishing pond, next prompt will ask for permit holder's permit number. Enter permit number and press #. Ensure correct person has entered his or her permit #. If person holds both a hunting AND fish permit, ensure you enter correct permit # to coincide with hunting or fishing. If permit holder's name is incorrect, press 2 to re-enter. Press 3 to return to main menu.
  - To check into a training area to hunt, press 1.
  - If permit holder checked in to hunt, enter training area code and press #(found on reverse side of this pamphlet.)
  - To check into training area today, press 1. To check into Training area tomorrow, press 2.
  - The next prompt will ask caller if they would like to check a different permit holder into the same training area or into a different training area. To check into the same area, press 2. To check into a different area, press 3.
  - Repeat process to add new hunters into training areas as needed.
    - To check OUT of an area, at the main menu, press 1 to check in/out of an area or reservoir. At the next prompt, enter permit number, then PIN number if applicable. At the next prompt, press 2 to check out of the area.
  - If permit holder also holds a fishing permit and would like to check into a pond, at last prompt, press 3. Enter fishing permit number and press #. Then choose which pond permit holder would like to check into.
- Listen to introduction and wait for first prompt. First prompt will ask permit holder if that person would like to hunt or fish. Press 1 to check in to or OUT of a training area or fishing pond. Press 2 to see how many people have checked into a training area.
  - If checking into a training area or fishing pond, next prompt will ask for permit holder's permit number. Enter permit number and press #. Ensure correct person has entered his or her permit #. If person holds both a hunting AND fish permit, ensure you enter correct permit # to coincide with hunting or fishing. If permit holder's name is incorrect, press 2 to re-enter. Press 3 to return to main menu.
  - To check into a pond or reservoir, press 2.
  - If permit holder checked in to fish, enter reservoir code and press #(found on reverse side of this pamphlet.)
  - To check into reservoir today, press 1. To check into reservoir tomorrow, press 2.
  - The next prompt will ask caller if they would like to check a different permit holder into the same pond or into a different pond. To check into the same pond, press 2. To check into a different pond, press 3.
  - Repeat process to add new anglers into ponds as needed.
    - To check OUT of a reservoir, at the main menu, press 1 to check in/out of an area or reservoir. At the next prompt, enter permit number, then PIN number if applicable. At the next prompt, press 2 to check out of the reservoir.
  - If permit holder also holds a hunting permit and would like to check into a training area, at last prompt, press 3. Enter hunting permit number and press #. Then choose which training area permit holder would like to check into.
