

# 2012/13 FORT HUNTER LIGGETT PERMIT APPLICATION

## How the Permit Process Works

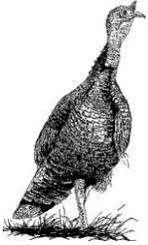

- Step 1. You send us a correctly completed 2012/13 FHL permit application by mail. Use of a previous year's or incomplete application will delay processing your application.
- Step 2. You must include the correct fee in a money order or cashier's check payable only to the "MWR US Army". No personal checks accepted.
- Step 3. You provide an e-mail address or self addressed, stamped envelop for confirmation.
- Step 4. We will process your application within two weeks of postmark date.
- Step 5. We will notify you by e-mail or mail that your application is processed.
- Step 6. You pick up your permit in person with current photo identification at the Hunting and Fishing check station on Fort Hunter Liggett.

## Other Important Information

- Your 2012-13 annual hunting permit is valid from July 1, 2012 through June 30, 2013 concurrent with the hunting license year.
- Your 2012-13 two-day hunting permit is valid for any one weekend from July 1, 2012 through June 30, 2013.
- Your permit application is not a reservation for hunting on a weekend.
- Access for hunting in the training areas is on a first come first served basis (except for the lottery system during the general deer season).
- Training area availability for hunting is determined by the military training schedule. There may be times when hunting opportunities are extremely limited or unavailable due to military training requirements.
- Reduced Fee applicants must submit a copy of their reduced fee CDFG hunting license or a copy of their Common Access Card (front only) with their application to verify reduced fee eligibility.
- Military / Retiree applicants must submit a copy of their Common Access Card (front only) with their application to verify fee eligibility.
- All permit sales are final and are not refundable or transferable between individuals, or to another permit year.
- FHL Permit costs include a local area hunting permit and activity fee. These funds support habitat/wildlife management, program administration and soldier programs.
